PUBLIC NOTICE

Requirements for Premises Licensed for the Sale of Pesticides in Hazard Classes IA and IB

Notice is hereby given to the general public that, with effect from January 1, 2005, retailers and wholesalers of pesticides will be required to keep up-to-date records of receipts and sales of those pesticides which fall under hazard classes IA and IB (*see below*), in accordance with Section 20 (c), Part III of the Pesticides (Licensing of Premises) Regulations, 1987.

- **GRAMOXONE and all other Paraquat Herbicides**
- **LANNATE and all other Methomyl Insecticides**
- **AMIDOR and all other Methamidophos Insecticides**
- **VYDATE L**
- **TEMIK15G**
- **FURADAN 5 G and other Carbofuran Insecticides**
- **STELADONE 300 EC**

In order to facilitate proper record keeping, purchasers of the said pesticides are kindly requested to provide the retailer / wholesaler with their names and addresses.

In addition, purchasers must ensure that they are furnished with proper receipts by the retailer / wholesaler.

Each receipt must carry the name and address of the retailer / wholesaler, date of purchase, name and address of purchaser, trade name of pesticide and quantity purchased.

Your full cooperation will be greatly appreciated.
